

Family Program

Thank you for contacting Barbieri Orthodontics. We are looking forward to meeting you at your complimentary initial evaluation.

Here at Barbieri Orthodontics we believe that every smile is a treasure and that super smiles start young! In fact, orthodontic guidance can begin as young as seven years of age. So, if you have a child in your family, we have some great news for you!

Dr. Barbieri is trained to spot subtle problems with jaw growth and emerging teeth while some baby teeth are still present. As a preventative orthodontic office, we like to examine the children in our patient's family by age seven to take initial measurements, create baseline numbers and track growth patterns. Usually, no orthodontic treatment will be needed at this time and with that good news, Dr. Barbieri will place your child in our **Kids Club** Program where he will continue to monitor their growth and development all at **no charge to you!** The **Kids Club** is a special Program just for our younger patients with fun prizes.

Early initial examination results will be sent to your general dentist. This allows us to work in partnership with you, your dentist and your child. If your child has not yet reached their seventh birthday, we will keep their name in our system and when their seventh birthday approaches, we will contact you regarding setting up their complimentary evaluation.

Please print the name of the family member being seen for the New Patient Exam:

First: _____ **Last:** _____

List any family member you would like to receive an initial complimentary examination at age seven.			
Name- First & Last	Date of Birth	Relationship	Address

Additional family member over the age of 7 you would like to receive a complimentary examination in the near future; that includes you, Mom and Dad!			
Name- First & Last	Date of Birth	Relationship	Address

Welcome to our orthodontic family. It is our honor and privilege to provide you with the finest orthodontic care while creating your beautiful new smile!

We look forward to serving you,

The Barbieri Team
